Neuse River District Hike #134

A Scout is Obedient

What

More than 11 years of uninterrupted monthly hikes will continue

When

Sunday, April 5, 2-4 pm

Who

As individuals and families only

Not as dens or packs, patrols or troops, or crews

Where

Hike where you are that day

Neighborhood, nearby park or greenway, your backyard,
even a treadmill—but do try to get outside

To register, go to:

<https://www.signupgenius.com/go/70A0545A4AB2DA2FD0-district>

Register so we know how many folks we have hiking that Sunday.

Please include your scout's name and unit number, how many will hike and where

After everyone has hiked, please send an email each name and the number of miles hiked (so Dan can record it as usual...these miles will count towards your total) and even a picture of your group! Send those to Dan Gorski, district hiking chair, at: dangorski2002@yahoo.com.

The intention of these hikes has always been to get outside and enjoy nature, and today more than ever we could use the benefits of getting some fresh air, all while adhering to the directive of “social-distancing”.

Let's hit the virtual trail in April and Scout On!
